“SERVING CHRIST AMONG US” ...

This week we begin the Annual Bishop's Appeal. The theme above speaks very clearly what this annual appeal seeks to do. Our Diocese of Paterson reaches out to those in need in the three counties of Morris, Passaic and Sussex. The needy in these three counties that comprise our diocese are served by a number of churches and diocesan agencies. The Bishop's Appeal is just that an appeal to us to help support the work of the Catholic Charity agencies of our diocese in their service to the needy. The appeal also seeks to support Catholic education in our Catholic Schools. It funds some of the expenses for the support of our retired priests in Nazareth Village in Chester.

This week Bishop Serratelli's letter on the campaign was sent out to many of you who have supported these causes over the years. Again this year Bishop is asking us to do our part to ensure that the good work done in our diocese continues. During the next weeks we will be praying for the success of the campaign at our weekend liturgies. I ask you to please make this intention one of your personal prayers.

Please respond to Bishop's request and make a commitment this year. Our parishes will also benefit from this as well. Each parish has a specific goal and any money pledged over the goal results in the parish receiving 50% of the over pledged monies. We have benefited from your generosity in the past and can certainly use these extra funds this coming year.

Every priest of our diocese is also asked to make a pledge and I have done this since the inception of this annual appeal. I mention this because I have seen the great work that is done through the generosity of all and I would never ask you to support something that I did not believe in as well. So when you receive Bishop's letter pray about your response and keep the campaign in your prayers. During the next few months you will hear and read more about the people who will be helped by your generosity...thank you...Father Joe

PARISH PICNIC – NEXT SUNDAY SEPTEMBER 20TH -

I am looking forward to gathering next Sunday for the parish picnic. I hope you will join us... please fill out a form today if you have not already done so indicating you plan to attend and leave it in the basket on the table in the gathering room. Also please consider taking a \$25 50/50 ticket to help support St. Mark's church. We use the funds raised to help meet some immediate parish expenses at this time of year.

We are having games for children and a magician will be here, a pie eating contest and a variety of events in addition to the usual hot dogs and hamburgers that one finds at every picnic.

OLM RENOVATIONS...

The past week has seen a tremendous amount of activity in and around the OLM church. Inside final jobs were being fine tuned and outside you can see some of the stone work taking place and on Tuesday our entire parking lot was getting the final repaving done. There are still some things we have to accomplish in the church which we hope to do in a short time. All this adds up to the fact that the time is getting closer to when OLM will re-open. You will hear announcements in church, you will receive e mails (if you are on the e mail list) and you will also receive a phone call from our automatic call service ... Father Joe

MESSAGE FROM NEW JERSEY CATHOLIC

CONFERENCE... (Legal representative for NJ Bishops)
Birth Parents: for well over a century, the Catholic Church in New Jersey has provided adoption service. Throughout all those years, the Church promised to honor the privacy of birth parents and adoptees. That promise of privacy all was assured by law and affirmed by the State Superior Court. Those promises can no longer be kept. On May 27, 2014 a new law took effect that will allow adoptees and certain relatives to request and obtain the names of their biological parents beginning January 1, 2017.

Any birth parents who wish to preserve their privacy must submit a **Redaction Request Form** to the New Jersey Department of Health no later than December 31, 2016. This form can be downloaded at <http://njgov/health/forms/reg-36c.pdf> the helpline number is 609-989-4809

MESSAGE FROM ERIN LEYSON...

Dear St. Mark's and Our Lady of the Mountain Parishioners, I am truly overwhelmed by the generosity of our parish communities and cannot begin to thank you all for your support. It was wonderful to be able to share my work with the parish community in which I grew up. In total we raised about \$1,800 which will be doubled and then invested in my arts program in Oaxaca, Mexico. I know that the women and children whom the program benefits will be extremely thankful to know that people like you donated to give them a better life. Thank you for your kindness and God Bless!

CAR WASH TODAY....

Our youth ministry is planning a car wash this Sunday September 13th. You can leave your car before mass and pick it up after mass. Your support of the car wash helps with the funding of our youth ministry program.

This visit—the first time a pope has ever visited the Capitol and addressed Congress—will be historic for our Nation. Lance encourages all interested constituents to visit lance.house.gov/pope to sign up to enter the ticket lottery. Ticketholders will be able to watch the Pope's address via a live broadcast in a location on the West Front of the U.S. Capitol. The Pope has expressed an interest in making a brief appearance on the West Front of the Capitol after his remarks. All of the tickets are standing room only, although there will be a limited seating area for those with disabilities. While a clear line-of-sight cannot be guaranteed for all attending the broadcast, the space provides an opportunity for guests to be part of the visit.

KNIGHTS OF COLUMBUS EYES FOR THE NEEDY....

For the month of September the Knights of Columbus are collecting new, used or broken eyeglasses including frames to be recycled and distributed to the needy.

REMEMBER THE CATHOLIC CHARITIES CLOTHING DONATION BOXES...

This is an especially busy time of year for "clothes to be retired". Many folks were out buying clothes to take advantage of the many Labor Day sales this past weekend. Many bought and are still buying new clothes for school. And everyone is starting to put away summer clothes and take out fall/winter clothes. As far as your old clothes go, if they seem to have shrunk for some reason, or you simply will not be wearing those summer clothes next summer, or winter clothes this winter, consider placing them in the Clothing Donation box in the parish parking lot freeing up space in your drawers and closets and helping Catholic Charities.

ST. MARK'S...

All- powerful and ever-living God the lasting health of all who believe in you, hear us as we ask your loving help for the sick; restore their health, that they may again offer joyful thanks in your church.
