**My dear parishioners,**

Today we mark the 5<sup>th</sup> Sunday in Ordinary Time. When you are sick who do you visit to help you get better? You go to your doctor. How do you meet your doctor? You go to the office. When do you go to the office? The doctor has office hours and you go during these hours. There is another doctor, Jesus. He will also help you to get better. How and where do you go to meet him? You can meet him anytime you turn to him in prayer but his special office times are the sacraments, especially the Mass.

In the Gospel today we heard of Jesus curing Peter's mother-in-law in Capernaum, and curing many others who were sick. Jesus, who healed so many one evening in Capernaum, is willing to heal you too in this Mass and every Mass. The greatest moment for healing is when you receive Jesus in Holy Communion. During those precious minutes when you and Jesus are united very specially ask him in faith for the healing you need, and adore and praise him for all he has done for you. As well as going to your doctor when you get sick, go also to Jesus.

**Tell Jesus about your pain and hurt. Feel the love of Jesus replacing your wounds with his love, healing you and making you whole again. Hear when Jesus says to you, "Your wound is not permanent, it is only temporary, I am healing you"**

Those who meet Jesus and are changed discover something else. They are more human. Peter's mother-in-law was able to get up from bed and work. The people in the documentary had potential in their lives but did not know before they met Jesus. Once they met Jesus they knew they were greater than any condition they had been suffering and realized their value. Living with faith in Jesus, having Jesus in your life, makes your life more human, much better and happier, and you see your value. Jesus wants to do for us what he did for Peter's mother-in-law. Jesus wants to approach you, grasp your hand and help you up. Will you give him the time in your life every day to help you up, become more human, reach your potential and see the value of your life? Will you give Jesus time every day to approach you, grasp your hand and help you up?

Jesus is always with us. He is there to protect us from the doubts despair and illness. He is there to give us the courage to walk with him through the life. Jesus heals yesterday, today and forever.

**WORLD DAY OF THE SICK – SATURDAY, FEBRUARY 10 –  
FEAST DAY OF OUR LADY OF LOURDES**

Next Sunday, February 11th is the feast of Our Lady of Lourdes and the World Day of the Sick. On this day the Holy See reminds us of the care and dignity we must show those who are sick and disabled. We must sow the same compassion and care as was demonstrated by our Savior. The theme for this year's Day of the Sick is provided by the words that Jesus spoke from the Cross to Mary, his Mother, and to John: "Woman, behold your son ... Behold your mother. And from that hour the disciple took her into his home" (*Jn 19:26-27*).

*To Mary, Mother of tender love, we wish to entrust all those who are ill in body and soul, that she may sustain them in hope. We ask her also to help us to be welcoming to our sick brothers and sisters. The Church knows that she requires a special grace to live up to her evangelical task of serving the sick. May our prayers to the Mother of God see us united in an incessant plea that every member of the Church may live with love the vocation to serve life and health. May*

*the Virgin Mary intercede for this Twenty-sixth World Day of the Sick; may she help the sick to experience their suffering in communion with the Lord Jesus; and may she support all those who care for them. To all, the sick, to healthcare workers and to volunteers, I cordially impart my Apostolic Blessing. POPE FRANCIS*

Should you know of someone who is in need of a pastoral visit from the clergy or lay ministers please do not hesitate to call the parish office 850-0652 or emergency number 201-841-4952. We will be happy to visit and provide the sacramental care requested.

**HEALING MASS – OLM CHURCH- SATURDAY,  
FEBRUARY 17 – 10AM.**

During this mass we will pray for our sick parishioners, and the sacrament of the sick will be administered to all those who are sick, and older. Join us for prayer for our sick brothers and sisters.

**St. Apollonia – February 9**

Martyr (d. 249)

St. Apollonia is described variously as a deaconess or consecrated virgin in the city of Alexandria. She was among a number of Christians martyred during a frenzy of persecution. According to the account in Eusebius's history of the Church, a mob seized Apollonia, "battered her till they knocked out all her teeth, build a pyre in front of the city, and threatened to burn her alive unless she repeated after them their heathen incantations." When she was released momentarily to consider her options, Apollonia startled her assailants by jumping into the fire. St. Augustine, for one, was troubled by the thought that Apollonia's impulsive action hovered uncomfortably close to suicide. He proposed that she may have been directly inspired in her gesture by the Holy Spirit. In any case, her defiance in the face of death showed the power of her faith and the futility of her captors' threats.

*"Oh, great and wondrous struggle of his virgin, who by the grace of a compassionate God, went to the fire so as not to be burned and was burned so as not to be consumed, as if neither fire nor torture could touch her! ... By her love of heaven she expelled every earthly fear and grasped the trophy of the cross of Christ."*

Blessed Jacobus de Voragine (The Golden Legend) on St. Apollonia.

### TEACHING FROM THE CATECHISM OF THE CATHOLIC CHURCH

#### THE TEN COMMANDMENTS The Sixth Commandment

**You shall not commit adultery. "You have heard that it was said, You shall not commit adultery. But I say to you that everyone who looks at a woman lustfully has already committed adultery with her in his heart".**

My dear brothers and sisters the catechism of the Catholic Church in the numeral 2331 teaches us about this commandment: *"God is love and in himself he lives a mystery of personal loving communion. Creating the human race in his own image. God inscribed in the humanity of man and woman the vocation, and thus the capacity and responsibility, of love and communion."*

In the Holy Scriptures says *"God created man in his own image, male and female he created them"; He blessed them and said, "Be fruitful and multiply"; "When God created man, he made him in the likeness of God. Male and female he created them, and he blessed them and named them Man when they were created"* For that reason Sexuality affects all aspects of the human person in the unity of his body and soul. It especially concerns affectivity, the capacity to love and to procreate, and in a more general way the aptitude for forming bonds of communion with others.

Also everyone, man and woman, should acknowledge and accept his sexual identity. Physical, moral, and spiritual difference and complementarity are oriented toward the goods of marriage and the flourishing of family life. The harmony of the couple and of society depends in part on the way in which the complementarity, needs, and mutual support between the sexes are lived out. God gives man and woman an equal personal dignity. Man is a person, man and woman equally so, since both were created in the image and likeness of the personal God. God bless you.
