FOOD PANTRY...THANKSGIVING

Yes, it's early to be thinking about Thanksgiving!

However, if you have something to be thankful for (and don't we all?), here's a great way to show your appreciation. Go to the supermarket gift card table in the Gathering Space and donate gift cards (or cash) for the Thanksgiving Baskets to be distributed by the Long Valley Food Pantry. These donations will be collected after all weekend masses from October 15th through November 6th (or in the office any time during normal office hours). Even though it seems early, the Food Pantry volunteers need time to do the shopping and distribute the baskets in time for holiday cooking. Non-perishable items can also be placed in the Food Pantry bins as usual (**canned** yams, pie filling, flour, sugar, stuffing mix – or other traditional items).

With the holidays coming up, you know you need supermarket gift cards for yourself, so while you're there.

As always, thank you for your continued generosity.

THE PSALMS - A GOOD BEGINNING OF PRAYER AND MEDITATION:

Here are the first verses of Psalm 139--- *"Lord, you have probed me, you know: you know when I sit and stand; you understand my thoughts from afar. My travels and my rest you mark; with all my ways you are familiar. Even before a word is on my tongue, Lord you know it all. Behind me and before you encircle me and rest your hand upon me."*

The Lord wishes us to be comfortable in his presence as he wants us to realize how much he loves and cares for us. He knows all we do - the slightest act of sitting or standing. He knows where we journey in life. He is conscious of every word we speak. He is all encircling of us with his love and rests his hand upon us to guide us. Are we always open to this loving presence and let God guide us each day? Or do we sometimes ignore or forget the close presence of God. Psalm 139 is a beautiful psalm read the entire psalm it ends with a good prayer for us to remember: "Probe me, God, know my heart; try me, know my concerns, see if my way is crooked, then lead me in the ancients paths."

"BE RICH IN GOOD WORKS" – Annual Bishop's Appeal for our diocesan needs...

Please respond to the bishop's appeal... you will help many worthy causes within our diocese. Last weekend we had our in pew commitment thank you to the many who responded last weekend. If you were not here, there are pledge envelopes on the bulletin table. Please take one and fill it out and place it either in the collection basket or mail to the church office and we will forward it to the diocesan office. Thank you helping us towards our goal.

Your pledges help programs such as these... You Did It for Me When Holden* first learned of Catholic Charities Senior Aide Employment program in his town, little did he know that his dormant skills in gardening would be awakened. As an older adult on a limited income with no job, Holden seized the opportunity to be retrained. Providentially his talents matched a need at Catholic Charities. Now a part-time employee in the maintenance department, Holden tends to the flowerbeds at the front entrance, providing a special welcome for all who enter Catholic Charities seeking help, just as he did. In 2015, Catholic Charities agencies provided employment services to 75,701 clients.

A THOUGHT FOR THIS WEEK...

"The world is noisy and distracting. It is in the silence that we find God and our true self." - Matthew Kelly

JUBILEE YEAR OF MERCY...ends Nov 20 but God's mercy never ends...

""Dear brothers and sisters, let us be enveloped by the mercy of God; let us trust in his patience, which always gives us more time. Let us find the courage to return to his house, to dwell in his loving wounds, allowing ourselves be loved by him and to encounter his mercy in the sacraments. We will feel his wonderful tenderness, we will feel his embrace, and we too will become more capable of mercy, patience, forgiveness and love."— Pope Francis

TODAY!!!!!!!!!!!! SUNDAY October 23rd CROP WALK...

A CROP walk is a community effort to help alleviate hunger in the world and in our local community. The CROP walk is sponsored by St. Luke's, St. Mark's, Our Lady of the Mountain and Messiah Episcopal Church in Chester, NJ. We have had a CROP walk in town since 2008. If you have never participated it is really easy. It can be a fun family day. We walk from St. Luke's Church to the Middle School and back to St. Luke's a total of 3 miles. The purpose of the hike is to raise money. A percentage of the money we raise is returned to Long Valley and we donate it to the Long Valley (CAP) food pantry which helps many people in need. There will be donation/sponsor envelopes on the gathering space table. All you have to do is take an envelope and bring it along with any sponsor monies to St. Luke's church at 1:30 **TODAY**... The walk begins at 2 p.m. The walks takes just about 1.5 hours on average.

HELP FOR OUR "ISLANDS"...

Our Islands as we call them are scattered throughout the parking lot for the purpose of order in parking. Over the past 9 years we had various individuals and families help maintain these. There are some islands that could use your loving care. Some of the previous helpers have moved away and some retired. This is not a request for a lifelong commitment. If you or your family are interested in adopting an island please call the parish office. There is a person in the parish that is willing to coordinate the care for these

UPDATE ON THE ISLANDS...

We received a couple of responses to our request for caretakers of the islands in the parking lot. There are still some that could use some caretakers... Call the office or see Father Joe.

HIGH SCHOOL SENIORS...

I am an alumnus of Seton Hall University and because of that I get some vouchers that will waive your application fee to the SHU. If you are considering applying on line to Seton Hall please contact me as soon as possible. There are only a limited amount of vouchers...Fr. Joe (this does not apply if you have already applied).

SOME THOUGHTS ON THE POLITICAL PROCESS... Quotes

from the United States Bishops' document "Faithful citizenship" The Common Good... The common good is comprised of "the sum total of social conditions which allow people, either as groups or as individuals, to reach their fulfillment more fully and more easily." Human dignity is respected and the common good is fostered only if human rights are protected and basic responsibilities are met. Every human being has a right to life, a right to religious freedom, and a right to have access to those things required for human decency— food and shelter, education and employment, health care and housing. Corresponding to these rights are duties and responsibilities—to Ourselves, to our families, and to the larger society. The economy must serve people, not the other way around. An economic system must serve the dignity of the human person and the common good by respecting the dignity of work and protecting the rights of workers. Economic justice calls for decent work at fair, living wages, a broad and fair legalization program with a path to citizenship for immigrant workers, and the opportunity for all people to work together for the common good through their work, ownership, enterprise, investment, participation in unions, and other forms of economic activity. Workers also have responsibilities—to provide a fair day's work for a fair day's pay, to treat employers and coworkers with respect, and to carry out their work in ways that contribute to the common good. Workers, employers, and unions should not only advance their own interests but also work together to advance economic justice and the well-being of all. We have a duty to care for God's creation, which Pope Francis refers to in *Laudato Si'* as "our common home." We all are called to be careful stewards of God's creation and to ensure a safe and hospitable environment for vulnerable human beings now and in the future. Pope Francis, consistent with St. John Paul II and Pope Benedict XVI (World Day of Peace Message, 1990 and 2010), has lifted up pollution, climate change, lack of access to clean water, and the loss of biodiversity as particular challenges. Pope Francis speaks of an "ecological debt" (no. 51) owed by wealthier nations to developing nations. And he calls all of us to an "ecological conversion" (no. 219), by which "the effects of [our] encounter with Jesus Christ become evident in [our] relationship with the world around [us]". Indeed, this concern with "natural ecology" is an indispensable part of the broader "human ecology," which encompasses not only material but moral and social dimensions as well.

WHY WE ARE CATHOLIC...

We are Catholic because we believe: The Christian Creed - the profession of our faith in God, the Father, the Son, and the Holy Spirit, and in God's creative, saving, and sanctifying action - culminates in the proclamation of the resurrection of the dead on the last day and in life everlasting. We firmly believe, and hence we hope that, just as Christ is truly risen from the dead and lives forever, so after death the righteous will live forever with the risen Christ and he will raise them up on the last day. The Catechism of the Catholic Church 998-
